

BIG SPRING PLANT MAP & DIRECTIONS

MAP & DRIVING DIRECTIONS

Quail Run Services domestic wastewater treatment facility (Big Spring Plant) is located approximately 12 miles West of Big Spring, Texas off of FM 818.

1. Take I-20 West from Big Spring, Texas
2. Take Exit 165 for FM 818
3. Turn left and go under the freeway and continue South down FM 818
4. Turn right onto the first new gravel road on the right (approximately 1,000 yards down FM 818 South), and look for QRS signage
